

The Certification Committee presents

**Spring 2018 Connecticut Tax Collector
Continuing Education 'Road Shows'**

*The CCMC Committee is attempting to provide help with statutory interpretation; provide 'refresher' information on what is currently taught in the CCMC program; and answer questions about Connecticut Tax Collection to those who might not otherwise be able to attend the CCMC classes, meetings, conferences or other events. 'Road shows' are one day workshops, held at various locations, in an effort to bring education TO YOU. They are offered at minimal cost **(\$10, payable at time of registration)**. They are open to tax collectors and to staff members. You can come if you are already a CCMC; if you are earning your CCMC; or if you are not a CCMC – all are welcome. Bring your issues, problems, questions, 'gray areas' etc., and hopefully leave with the answers you are looking for. If you have specific issues you would like addressed, let us know at the time of your reservation, or contact a member of the CCMC Committee in advance of the workshop.*

. Registration & payment in advance is required – no walk ins! Reservations are first come, first served.
